CONFERENCE CENTER

MODERN & STYLISH

Welcome to the largest hotel-based conference centre in Bulgaria. Enjoy 5-star service and facilities, while our team ensures that every conference, seminar or corporate activity becomes a successful and unforgettable event. The complex has a total capacity of 1400 attendees and 8 conference rooms with capacity to seat 10-110 guests, a modern amphitheatre hall with 380 seats and an extravagant banquet hall for up to 600 persons.

ADAPTIVE & PRACTICAL

The halls are conveniently situated on the same floor with the dining outlets, within the hotel. Spaces are adaptive, naturally illuminated and equipped with state of the art technology. We also offer a host of support services to ensure smooth and successful execution of your event.

THE IMPRESSIVE "IMPRESIA"

With a capacity of up to 380 seats, Impresia hall is suitable for conferences, congresses, seminars, as well as for entertainment events - film screenings, performances, concerts and variety shows.

VARIETY OF CATERING TEMPTATIONS

We provide comprehensive and customized catering solutions, suitable to meet the highest expectations. Our menus are composed with attention to detail, drawing culinary inspiration from all parts of the world and served to you exclusively, in accordance to the highest standards in the food and beverage industry.

BANQUET EVENTS

BELLINI BALLROOM

Multifunctional and diverse, the Bellini ballroom is designed to impress and service large as well as small events. It is suitable for organizing events such as congresses, presentations, cocktails, gala dinners, corporate parties and proms. It has a separate external entrance with the option of installing soundproof panels, upon request.

Bellini's dynamic functionality allows a variety of arrangements and composition styles.

The Ballroom can accommodate up to 600 persons as an auditorium, or 320 seated guests, when styled as a banquet hall.
